A third division deals with the repair, restoration, and conservation of old used bindings. Today, modern bookbinding is divided between hand binding by individual craftsmen working in a shop and commercial bindings mass-produced by high-speed machines in a factory. There is a broad grey area between the two divisions.

Bookbinding - Wikipedia

Light of Day Bindery offers bookbinding classes and bookbinding instruction at its two locations. Taught by Dea Sasso, each book binding class focuses on a different subject such as book repair, titling and tooling, use of leather, case, coptic and Japanese stab binding.
