Stewart Ewen is professor of media studies and chair of the Department of Communications at Hunter College. He is also a professor in the Ph.D. programs in history and sociology at the City University of New York Graduate Center. He is the author of the acclaimed Captains of Consciousness, Channels of Desire, and All Consuming Images, the last of which provided the basis for Bill Moyers's ...

All Consuming Images: The Politics Of Style In ...

You don't have to read much of this book to get Ewen's point: capitalism relies on images, and all the images we see (architecture, ads, etc.) are designed to manipulate our emotions; awareness allows for freedom. The book made me, yes, aware, but more feeling that marketers need to be sent to their own island somewhere.
